2nd July 2015

Dear Parents

SCHOOL UNIFORM

The administrative duties as an academy have greatly increased and we were challenged to look at ways in which we could remove any unnecessary administrative tasks within each organisation.

We have discussed the supplying of uniforms across the 3 academies. With this in mind we have decided that changing to an on-line ordering system would be our best option as this would remove this task completely from an academy administration point of view. In times when our budget is ever decreasing and costs are on the increase, we have looked for opportunities to bring income into the academy and this is one way of achieving this. It also is providing a bespoke service for parents which is more cost effective than our current supplier. This will provide you with quality uniform at more affordable prices.

We have registered with Tesco who offer a uniform embroidery service from F&F. We have selected a number of customized items which you will see once you have selected Walton Hall from the list. There is a quick link on the tool bar of Walton Hall Academy web site which will take you directly to the Uniformeasy.com web site. You will need to register and once you have done this the academy uniform will be available to order at the click of a button! All information, including instructions how to order are enclosed in the attached leaflet.

We are sure you will be happy with the quality and selection of uniform we have chosen, however please don't hesitate to contact school if you have any problems using the website.

Many sincerely

Pauline A Carmichael
Head of Academy
