

Walton Hall Academy

Residential Education Admissions Policy

April 2017/18

"We believe, you achieve"

Residential Admissions Policy

Walton Hall Academy is part of the Shaw Trust and offers Residential Education for pupils aged 11 – 19 years. It is a generic school which acknowledges and caters for pupils on the Autistic spectrum, pupils with diagnosed specific syndromes, pupils with attachment disorders, learning disabilities, sensory needs, ADHD and associated behaviour difficulties.

Residential Education provides opportunities for our pupils to experience an educational supportive environment where the aim is to further develop social skills, independent living skills and support the general health and well-being of its pupils. This has a positive impact on their education and lifelong learning, increasing resilience and future success.

“We believe, you achieve”

Commissioned by the Local Authority, we aim to support pupils to realise their full potential through the “Every Child Matters” framework. In doing so, we ensure that our pupils have the right support to

- Stay safe
- Be Healthy
- Enjoy and Achieve
- Make a positive contribution
- Achieve economic well-being

Residential Education strives to provide positive outcomes for pupils by:

- Being a resource which is part of an integrated pupil’s service.
- Putting pupils at the heart of personalised learning.
- Engaging with key multi-agency partners to meet individual pupils’ educational, personal, physical, communication, social, emotional health and well-being needs.
- Developing pupils’ key skills to support all transition phases.
- Embracing parents and carers as partners in co-working to further support shared aspirations and ambitions for pupils.

Our research based practice and rigorous self-evaluation ensures that we can analyse and track individual progress and target areas requiring additional support. Our delivery is underpinned by our residential desired outcomes:-

- Create a sense of identity and belonging where pupils contribute and feel valued
- Teach pupils the importance of respecting others
- Promote life experiences, activities and learning opportunities that enhance overall development
- Create new and stimulating experiences to help develop and understand healthy relationships, friendship and self-confidence.
- Provide personalised education, quality care, support and guidance and avenues to access community links
- Taking control of everyday life through encouraging choice and decision making that create opportunities for pupils to be listened to, heard and have a say in decisions which affect them.

- Create opportunities to lead healthy lifestyles including risk taking and making appropriate choices and decisions around keeping safe.
- Develop transitional skills preparing pupils for the future to fulfil their potential; building confidence through achievement at home and in the community.
- Work in partnership with social care and other multi agencies to facilitate placement stability and provide positive outcomes for families in providing 'quality time' and linked support
- Experience success and reward through achievement
- Develop personal, social and environmental awareness

Policy Statement

A residential placement will provide the appropriate environment in which pupils are consistently afforded the opportunities to maximise their abilities with regard to educational, personal, social and health and well-being development. All placements will be in accordance with the Local Authorities Residential Education Provision in Staffordshire Schools and with Part 1 Subsection (6) of the Care Standards Act 2000 the school will not provide accommodation for more than 295 days a year for any individual pupil.

We provide a flexible approach to boarding, offering individuals a tailored programme to address their specific needs. We are commissioned by the Local Authority to provide a Residential Educational service Monday to Friday (term time only), for pupils who attend our School on Residential 1(extended day) or Residential 2(overnight) programmes.

Residential practice is informed by the current and ongoing National Research, Guidance and Law. We always aim for outstanding practice against the Department for Education, Residential Special Schools National Minimum Standards.

The Residential Provision is monitored half termly through Announced and Unannounced Visits. In addition a Peer Head of Care and the nominated Residential Governor will also carry out regular monitoring visits.

Risk Assessments will be carried out on all pupils as part of the admission procedure. Pupils will also have an Individual Placement Plan with clear targets and detailed strategies of how those targets are going to be met.

Principles for Admission to Residence

1. Recognition that the provision is a resource opportunity for all pupils on the school roll.
2. Decision making is transparent as all placements are considered on an individual basis and go through Walton Hall Academy Shaw Trust Residential Admission Panel.
3. The introduction into residence may be phased; and exit transition should always be planned for.
4. Exit transition in Years 11-14 – with all relevant agencies and having a personalised pathway in place to support transition to adult services. Pupils entering year 13 should have their residential provision gradually reduced to ensure all residential provision is terminated by the end of the pupil's spring term of their last year in attendance at the school, except in exceptional circumstances which will be highlighted in their penultimate residential review, clearly communicated to parents and carers.

5. Clear review process, minimum x twice annually (6 monthly) of the placement plan. Accountability for this to be actioned rests with the individual school. The review information must provide the LA and family with information on attainment and progress on the agreed outcomes (e.g. Life Skills Audit and mapping).
6. Placements will be provided to meet the SEND needs of the pupil and would be time limited linked to demand for places, review outcomes and review multi agency review requirements.
7. Personalised provision for all pupils.
8. Frequency, of no more than two residential sessions per week.
9. Emergency placement protocols adhered to and school to confirm the source of funding.
10. Staffing ratios are linked to risk assessment levels and it is for the schools to determine that mix of levels is adequately staffed and pupils grouped appropriately.
11. Depending upon the circumstances, once panel approval has been granted and the residential placement has broken down a return to residential is permitted within six months without requiring updated panel approval, dependent upon vacancies.
12. The school has the right to terminate the residential placement for a pupil if they feel it is no longer appropriate for the individual or for others in the setting. The school also has the right to terminate the residential provision after a considerable amount of absences have been recorded. However contact will be made with parent and carers to discuss particular concerns and explore interventions at the earliest opportunity.
13. The panel can refuse to admit any pupil whose risk assessment is exceptional, should they feel the risk is too high for any individual or staff within the setting. This includes exceptional medical risks for who expected competencies are over and above what residential staff can deliver.
14. School to complete electronic residential register (dashboard register and analysis from county) and submit on weekly basis by Friday afternoon. The register must include all pupils accessing residential provision regardless of LA and commissioning responsibility.
15. For non-Staffordshire LA funded pupils, following panel agreement, the school to confirm funding from the other LA before admission commences.
16. Parent comments - A parental written signed and dated comment and feedback for admissions, changes, reviews, panel decisions is requested.
17. Best practise to avoid any pupils having consecutive nights away from home at different residential provisions. Should this occur, there needs to be an agreed agency hand-over.
18. Residential review documentation must demonstrate progress and outcomes. Walton Hall Residential Education Provision use a Life Skills Audit and mapping system

Actions Required by the School Prior to an Application Being Submitted to Panel.

- Consider whether the pupil's needs can be met safely
- Is the provision suitable and is it likely to offer a positive experience or outcome?
- Consider the impact of the pupil on others
- Consider the impact of others on the pupil
- Discuss the groupings with the Residential Team
- Gather pupil information from multi-agencies and school history/incidents
- Produce a risk assessment
- Arrange a home/school visit or formal consultation with the parent or carer pre-admission.

The panel decision will be based on the information gathered.

Residential Admission and Review Panel Meetings

1. Meetings will be held with the Residential Admissions Panel (RAP) of each setting at least once per term.
2. The Residential Admissions Panel will comprise of a combination of Principal or Vice principal, Head of Care, Deputy Head of Care and an RSW.
3. Admissions and 6 monthly review paperwork to demonstrate clear progress and outcomes that inform the Local Authority and family information on attainment and progress, what impact the last 6 months of residential provision has had for the pupil e.g. what has been achieved – in what way has their independence skills improved, what can they do now that they couldn't do 6 months ago etc. because of residency.
4. Head of Care are to ensure all pupils receive their six monthly reviews.
5. The outcomes in the school recommendation section of the review paperwork must refer to clear aspirational targets regarding the purpose of the residential provision ie: what it will give, do or make possible for the pupil.
6. On closure of residential placement the final outcome must be recorded on the placement review
7. Paperwork in support of pupils requesting residential provision must be complete and available at the meeting otherwise the pupil will not be discussed. Please note that where paperwork from parents/carers is completed by a member of staff at the school it must be signed by the parent/carer.

8. Schools must provide information on what respite or other provision the pupil is accessing and must be shared at the meeting. Should at a later date it is discovered that the pupil has access to additional provision, consideration will be given of residential provision cessation at the next 6 monthly review.
9. All members of the panel to both support and challenge the school, parent/carer and pupil recommendations at the meeting.
10. No pupils in their last year at a setting should be accessing more than one session per week in the spring term, unless in an all age provision in exceptional circumstances which will be highlighted in their penultimate residential review, clearly communicated to parents and carers.
11. Conflicts of interest must be declared at the commencement of the meeting with regard to any individual pupils.

Quality Assurance and Performance Monitoring

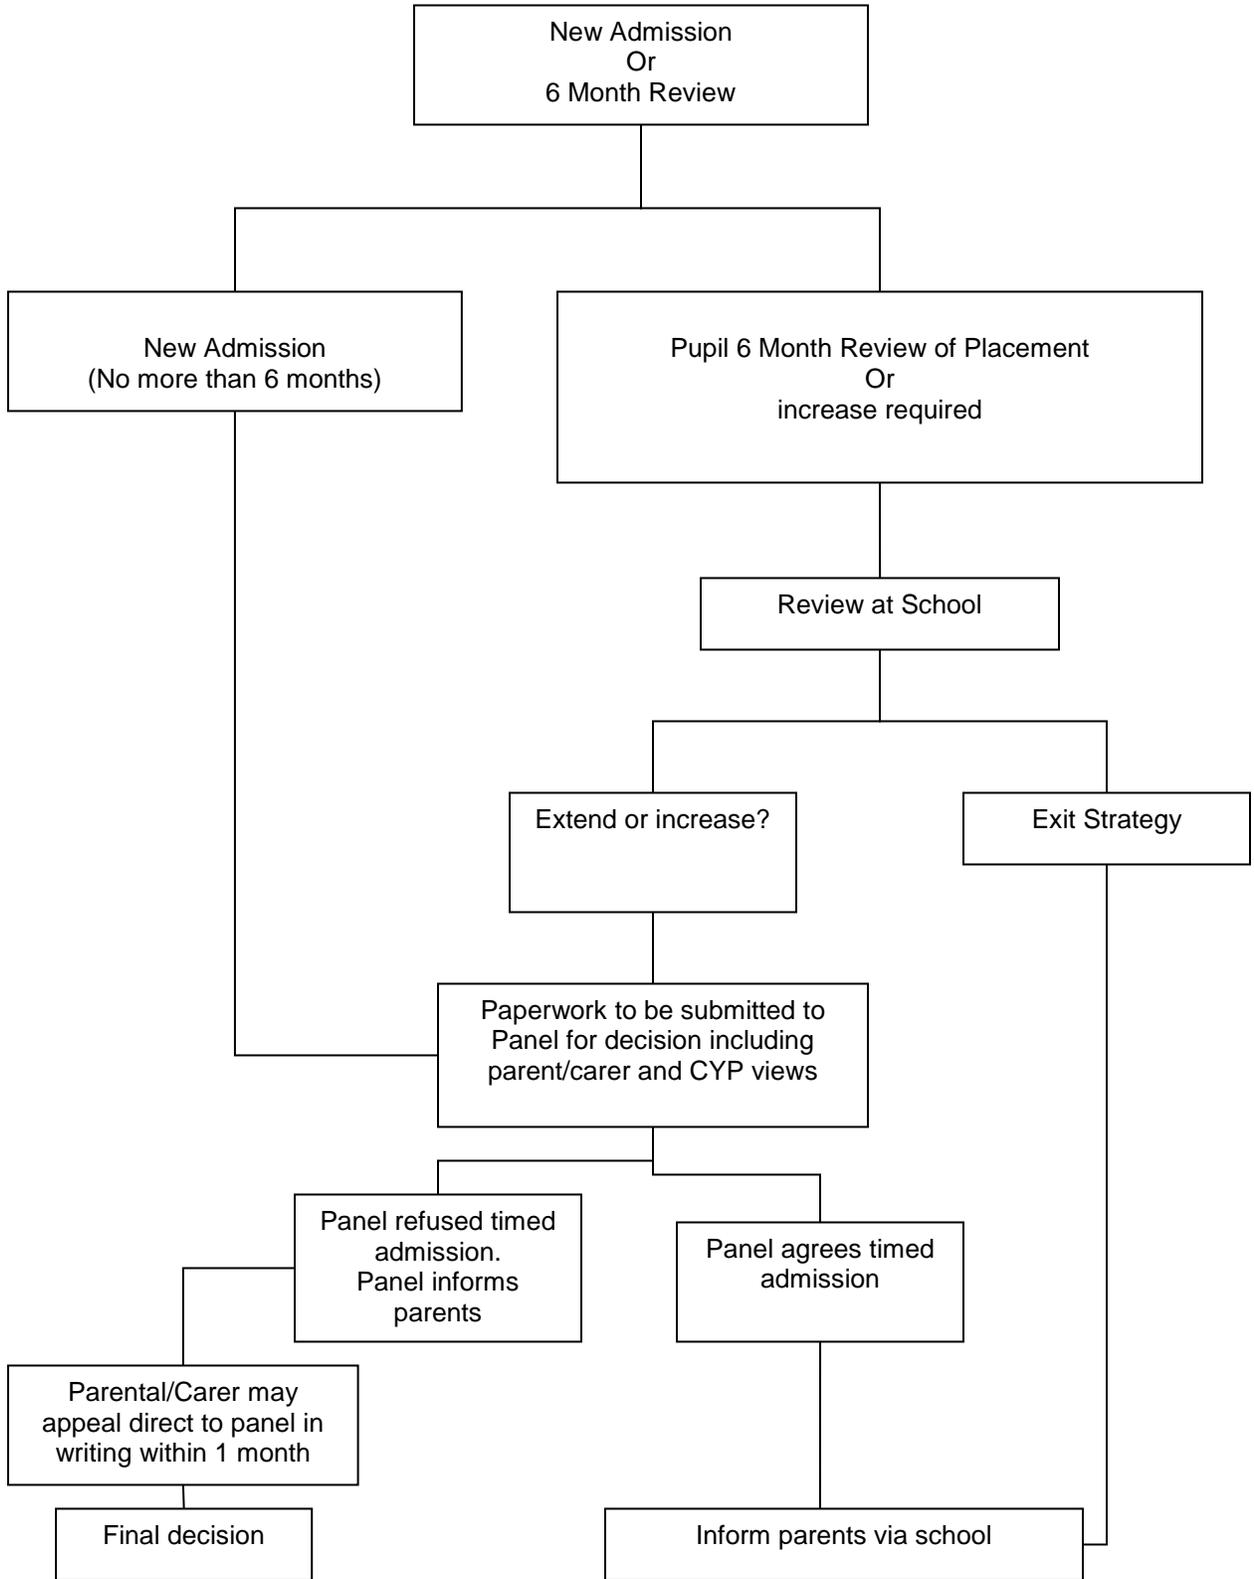

Walton Hall Academy will throughout the Local Authority Commissioning contract period demonstrate and maintain a properly documented and effective system of quality assurance in relation to the residential education provision.

Quarterly quality assurance meetings will take place with the Local Authority for monitoring and evaluating the quality of the Services and compliance with the Agreement

Walton Hall Academy will provide the Council with an annual written report on the extent to which the Service Outcomes have been achieved in the previous 12 month period

We will be proactive and cooperative in working with the Council to maintain and develop the Service Outcomes in order to ensure that the Services are progressively developed to meet changing needs and demands of our pupils

Residential Admissions and Review Panel Meetings Flow Chart

Residential (Res2) Emergency Placements

Protocols

- In unique, exceptional circumstances, a pupil on the school roll, may be granted a fixed term placement bed without going through the admissions panel.
- The placement is only agreed where capacity allows.
- The placement will be time limited and not exceed **8** sessions within an academic year.
- The emergency placement will **ONLY** be for the night that the school operates (weekends are not available).

This will provide support whilst the social worker finds accommodation for the pupil. An example of such circumstance would be a family emergency/ unexpected crisis – hospitalisation / operation of parent / carer.

There is an agreed fixed rate of £220 charge per night for an emergency placement. This is in line with an average matrix level 3 pupil. However for pupils with exceptionally high needs this would increase to £375 per night (based on risk assessment- exceptional rate).

- **ALL** emergency placements must be agreed by the Academy Principal, Head of Care (or in their absence, the Vice Principal).
- **ALL** emergency placements must be within the capability of the school managing the risk assessment and where capacity allows.
- **ALL** Emergency Placements to be recorded on the electronic register

Appeal Process

If an appeal against the panel decision is made, additional information must be provided and the request made in writing addressed to Suzanne Terry, Head of Care. This must be made within one month of the date of the panel decision.

The appeal will then be submitted to the residential admissions panel meeting where it will be reconsidered.

The panel will consider the balance of the pupil's needs against the needs of others and will ensure that procedures have been followed appropriately. The parent/carer will receive written notice of the panel's decision following the appeal meeting.

If you are still unhappy, then you have the right to appeal again and this will then be escalated to the Head of the Academy. The appeal should be made in writing and addressed to Amanda Cameron – Acting Principal, Walton Hall Academy

Change Control

Date	Issue	Details of Change
January 2017	0.a	Under review by Academy Council
30/01/2017	1.0	Ratified by Full Governing Body
June 2017	2.a	Updated by Suzanne Terry
30/06/2017	2.b	Review at Full Governors Meeting

Authorisation

Approved at H.R. Sub-committee meeting on 31st October 2017. Review Date: June 2019.
