

# Walton Hall Academy : Long Term Planning

SUBJECT	Geography	CLASS	Year 8	ACADEMIC YEAR	2016-2017
---------	-----------	-------	--------	---------------	-----------

## Main Aims

To introduce the huge variation in geography that exists within the complex continent of Africa. Understanding of the impact of culture and war on countries in Africa.

To understand development and the impact of this concept in the UK and across the World. To assess the contrast and comparison of countries at different stages of development, and what role does aid have in development.

Examining the impact of our warming planet and looking at the causes and mitigation attempts. How does the growth of cities impact on climate change

	<u>Half Term 1</u>	<u>Half Term 2</u>
<u>AUTUMN</u>	Africa – a continent of contrasts	Africa – people and development
<u>SPRING</u>	Our Divided World	Earning a Living
