

CORE SKILLS & PERSONAL SOCIAL DEVELOPMENT – Key Stage 5

Claire Senior

YEAR PLAN 2016-2017

- *The additional needs group focuses on core skills and Personal and Social Development, following the Edexcel qualification framework.*
- *At Entry Level 1, students complete Personal Progress units developing skills in Communication, ICT, Mathematics, Independent Living and Supported Employment. Students will be receive qualifications at award, certificate or diploma level depending on number of credits achieved.*
- *There is also an Entry level 2 option for some students to make further progress in Independence at Work and Personal and Social Development.*

Individual learning is supported by termly Literacy and Numeracy diagnostic testing, termly SMART targets, ASD strategies and interventions, positive behaviour management and input from other outside agencies e.g. SALT, dietary, medical and physiotherapy programs.
