

# SHARING SUCCESS

Shaw Education Trust Newsletter  
Friday 7<sup>th</sup> October 2016

## **STUDENTS OF THE WEEK**

### **Blackfriars FE**

**Iqra** 14.4 for producing a wonderful poster about Healthy Living.

**Kieran, Nicole, Ethan** for showing great independence at Walton Hall during MAT Options.

### **Blackfriars, Newcastle**

**Cullyn**, class 7 for his determination, hard work and working as part of a team.

### **Walton Hall Academy**

**Alex** year 7 for settling well into school life and his new class. He is now joining in with lots of enthusiasm and learning to control his behaviour really well. Fantastic work Alex!

## **STAFF GOING THE EXTRA MILE...**

### **Blackfriars FE**

**Mayra** for engaging the community in college events.

### **Blackfriars, Newcastle**

**Andy O'Connor** for co-ordinating the 4D project.

## Walton Hall

**Pat Peacock** who works so hard to make sure all students and staff are fed at lunchtimes. It has been particularly challenging for the last 2 weeks as her assistant cook has been absent. Single handed Pat has managed to get all meals prepared and served with no help at all. We really appreciate everything she does. Well done Pat!

## GOOD NEWS STORIES

### Blackfriars FE

A **Certificate of Achievement Award** has been presented to Jacob by Bucknall Bikes and Fishing Tackle for his excellent attitude and gentlemanly conduct towards customers and staff. The company said he was a fantastic employee and was a credit to his college. They look forward to welcoming Jacob back as an employee and he will be a great asset to them.

### Blackfriars, Newcastle

The **4D sensory room** is now operational thanks to the fantastic support from the Shaw Trust whose incredibly generous donation from the marathon made this possible. Staff had a taster session on Monday evening and are looking forward to developing their expertise in using this room to enhance the learning experience of all students.

The photographs show students from the KS4 PMLD Group experiencing the interactive walls where with just the slightest touch the leaves fall off the tress

## **Walton Hall**

### **KS5 BTEC students raise £570 for Macmillan Cancer Support!**

Students organised a staff '**Bake off**' and **coffee morning** to raise funds for Macmillan Cancer Support as part of the **worlds** biggest coffee morning. Invites and requests went out and the cakes rolled in. The hall was decked with bunting and cakes set out. The students put on their aprons and gloves and the sale began. We had an amazing turn out of parents, friends and families to support this event.

This was a huge success and a big thank you to all staff, parents, friends and families who donated lots of wonderful cakes and attended the event. Well done to everyone and especially the KS5 students for making this happen!

**WE ARE  
MACMILLAN.  
CANCER SUPPORT**

### **Jo Morgan CEO, Thought For the Week.....**
