GOOD NEWS STORIES

Blackfriars FE

French Celebrations

One of our students will be celebrating their 21st birthday this year, in France! Mayra and Lynda organised a French party to introduce their tutor groups to the French culture. Students listened to typical French music, learned about famous monuments, and some even dressed in French clothing!! Of course, samples of culinary delights were available: cheese, baguettes, omelettes, pain au chocolat, and much more. A great opportunity to get to know our friends across in Europe.

Macmillan Coffee morning – over £200 raised!

Thank you so much to parents, staff and students who supported the Macmillan coffee morning. Some of the cakes were truly gorgeous and your donations are hugely appreciated. It was great to see parents of new students from the FE at the event, and feedback on how well students has settled was passed on to all staff. Thank you very much.
